Commodore's Message

Hi Folks,

Here we are again at the end of another season and the docks are due to come out on Saturday, October 22nd. Two major storms and too much water have made this season a very short one. Each committee had their share of problems and tough days. I would like to extend a hardy 'Thank You' to every person that took that extra step to make this such an enjoyable 2011 season.

On Wednesday, November 16th the annual election and general meeting will be held at 7 PM. You as members have the opportunity to help set the club's direction for another great season at the P.V.Y.C.; please attend and make your voices heard. Looking forward to seeing you there...

Thank you,

Dave Grant, Commodore
